Privacy Policy Statement on the processing of personal data – Finnish Dental Association

Controller
Finnish Dental Association, Annankatu 16 B, 7th floor, +358 9 6220 250, FI-00120 Helsinki

The purpose of processing personal data
- maintaining the member filing system of the Finnish Dental Association
- promoting and targeting the supervision of the professional, economic and social interests of the association's members
- applying member benefits

The legal basis for the processing of personal data
The processing of personal data is partly based on law. The Associations Act decrees that associations must maintain a record of their members. As regards the filed data that is not based on the Associations Act, the basis for data processing mainly rests on the Finnish Dental Association's legitimate interest. A small amount of the data has been filed on the basis of consent given by the data subject.
The association's legitimate interests are the management of membership and the supervision of its members' interests.

Recipients of personal data
Personal data is disclosed to the following parties:
- Lääkärikompassi for the management of identification data for the Fimnet (Finnish Medical Network) service
- Duodecim Medical Publications Ltd for registration into the Terveysportti health portal
- Helsinki Area Tax Office
- Partners for the purpose of applying member benefits

Transferring personal data outside the EU
We never transfer personal data outside the EU.

Duration of personal data storage
Personal data is stored for the duration of the membership. When a member leaves/is removed/dies, their unnecessary personal data is erased. However, data that is necessary for membership or statistical purposes will remain in the filing system (such as data about education, membership fee data and data about liability insurance against treatment injury).

The rights of the data subject
- The data subject has the right to access their own data in the filing system. This access can also be implemented via the Internet.
- The data subject has the right to rectify or erase inaccurate data.
- The data subject has the right to request restriction of processing for a period that enables the controller to verify the accuracy of the personal data.
- The data subject has the right to request restriction of processing if the processing is unlawful and the data subject opposes the erasure of the personal data and requests the restriction of its use instead.
- The data subject has the right to request restriction of processing if the controller no longer needs the personal data, but the data subject needs the data for the establishment, exercise or defence of legal claims.
- The data subject has the right to request restriction of the processing of personal data that is processed on the basis of legitimate interest, if the data subject has objected to the processing of personal data on the grounds of their particular situation.
- The data subject has the right to withdraw their consent to process their data at any time.
- The data subject has the right to lodge a complaint with a supervisory authority.

- *The data subject has the right to object, on the grounds of their particular situation, to the processing of personal data concerning themselves in so far as the data in question is processed on the basis of legitimate interest.*
- *The data subject has the right to object to the processing of their personal data for the purposes of direct marketing.*

Obligation to provide data
Providing personal data is not a statutory obligation. Please note, however, that if a data subject refuses to provide their personal data we cannot accept their membership application. Failing to provide certain data may result in the data subject not being able to make use of the member benefits offered by the Finnish Dental Association.

Automatic decision-making and profiling
The data you provide is not used for automatic decision-making or profiling.

Suomen Hammaslääkäriliitto
Finlands Tandläkarförbund

I, the undersigned, wish to become a Finnish Dental Association
